

# Agile Interactive Touchscreen Table - Fixed Height

Ideal for collaborating with colleagues, increasing engagement when teaching and learning, and for enhancing care.

*Non-battery version*

*Battery version*

## Designed with you in mind.

- 32" P-CAP touchscreen allows for up to 40 simultaneous touch points.
- Full HD screen for viewing content in high resolution.
- Halo protection system helps protect both screen and users.
- Built in HD camera and microphone for video conferencing or keeping loved ones connected.
- Medical grade power system (battery version)
- Battery can be fully charged from empty in 3 hours and provides up to 8 hours of continuous use.
- Agile sits at a fixed height for standing, seated and wheelchair use.
- Tilts from an upright vertical position to 54 degrees for more flexibility and adaptability.
- Counterbalance tilt technology helps with safety whilst adjusting the angle of the display, creating a smooth and controlled user experience.
- Screen built onto a stylish powder-coated steel frame with easy-lock wheels.
- Wi-Fi and Bluetooth connectivity.
- Access to thousands of apps through the Google Play Store.

# Specifications
